

Azur Amplifiers

340A SE 45W power output into 8 Ohms Second set of speaker outputs MP3 input Slimline Azur remote handset **365.00**

NIEUW!
550A 60W power output into 8 Ohms , Slimline navigator Azur remote handset, Alps 'balck box'' volume control, Control bus for simple multiroom set integration, iPod/MP3 comp. **499.00**

NIEUW!
650A 75W power output into 8 Ohms , Slimline navigator Azur remote handset, Alps 'black box'' volume control, Control bus for simple multiroom set integration, iPod/MP3 comp. separate power supplies **599.00**

740A 100W power output into 8 Ohms Incognito Ready (Type 1) A-BUS multi-room outputs Custom LCD display Control Bus In and Out Slimline navigator Azur remote handset **995.00**

840A 120W power output into 8 Ohms Class XD patented technology Incognito Ready (Type 2) A-BUS multi-room outputs Balanced inputs Slimline navigator Azur remote handset **1399.00**

840E Azur Control Amplifier Incognito Ready (Type 2) A-BUS multi-room outputs Custom LCD display 2 Balanced inputs, 1 balanced output Trigger out for power amp control Slimline navigator Azur remote handset. **1299.00**

840W Class XD power amplifier 200 watts into 8 ohms (stereo) 500 watts into 8 ohms (bridged mono) Balanced and RCA inputs and outputs Trigger and IR inputs. **1899.00**

Azur CD players

340C Crystal 24-bit/96kHz DAC Cambridge custom servo solution Slimline Azur remote handset **365.00**

NIEUW!
550C Wolfson WM8740 24-bit/ 192kHz DAC's Cambridge custom S3 servo solution Slimline navigator Azur remote handset, CD-text, Energy Star compliant **499.00**

NIEUW!
650C 2 Wolfson 24-bit/192kHz WM8740 DACs, Cambridge custom S3 servo solution, Slimline navigator Azur remote handset, CD-text, adjustable filters **599.00**

740C Upsampling CD Player 384kHz, 24-bit dual differential Wolfson WM8740 DAC's at 384kHz. Azur remote handset **995.00**

840C Upsampling CD Player 384kHz, 24-bit dual differential AD1955 DACs Balanced outputs Slimline navigator Azur remote handset **1399.00**

Azur Phono Pre Amplifiers / DA Converter

DacMagic Upsampling rates 32kHz-96kHz, Digital-to-Analogue converter with 2 x digital S/PDIF (both Toslink and electrical) 1 x USB, Digital outputs: 1 x Toslink & electrical, Analogue outputs 1 x unbalanced RCA, 2 x XLR balanced -**HiFi Choice Product Of The Year!** **399.00**

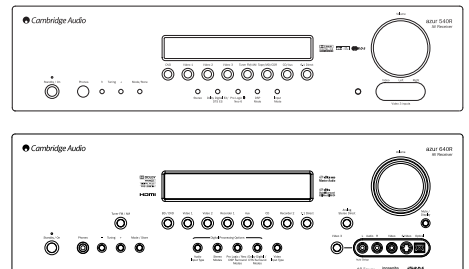

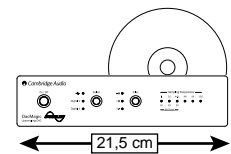

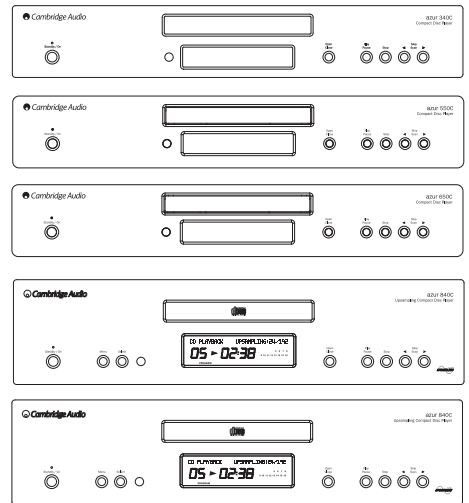

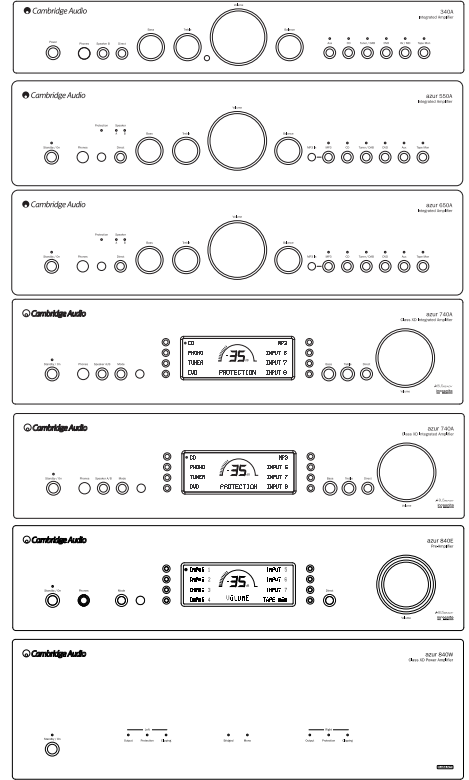

540P Moving magnet (MM) phono stage **85.00**

640P Moving coil (MC) and moving magnet (MM) phono stages, defeatable subsonic filter **150.00**

Azur AV surround receivers

540R v3 (black only) RDS 6.1 audio video receiver, 80w per channel, 8 Ohms (all channels) HDMI switching: 2 in 1 out Crystal CS42518 Multi-DAC RS232 controllable, IR inputs On screen display, with advanced bass management FM RDS/AM tuner, 30 station presets, RDS Slimline navigator Azur remote handset. **745.00**

NIEUW!
650R 5.1, 6.1 or 7.1 HDMI audio video receiver, RS232, DTS HD, HDMI 1.3c switching (3 inputs, 1 outputs) 100w per channel, CAMCAS,in 5.1 bi-amping in 5.1, 8 Ohms (all channels driven, stereo: 2 x 120 watt) Analogue video up-conversion On screen display on all outputs, 24/192 capable DACs Incognito compatible multi-room outputs Slimline navigator Azur remote handset. **December 2009** **1599.00**

Azur tuners (the 340T en 640T are out of production and not available)

NIEUW!

550T True Analogue FM RDS/AM tuner, Radio text, clock and alarm features Slimline Azur remote handset
NIEUW! control bus **395.00**

650T DAB+/FM /AM tuner met AAC Codec. totally separated analogue and digital circuits, audiophile grade toroidal transformer, EnergyStar standby modus, RS232, S/P DIF 48kHz, channel separation > 50dB, S/N 105dB (DAB), 60dB (FM), sensitivity -25dBm typical **495.00**

DVD Player & Azur Blu-ray en DVD Player

DVD99 Universal DVD player with **USB**, HDMI/ DVI-D upscaling 1080p output with DiVX 3.11, 4,5, Pro and XVID + playback **SACD**, 6-channel DVD-Audio NTSC and PAL progressive scan 24-Bit/192kHz six channel Crystal DAC Full remote control **299.00**

540Dv2 Premium audiophile DVD player HDMI/ DVI-D output with DiVX playback NTSC and PAL progressive scan 24- Bit/192kHz six channel Crystal DAC Full remote control over Azur Amplifiers. **395.00**

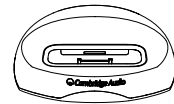

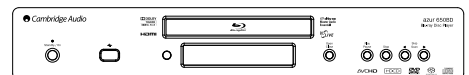

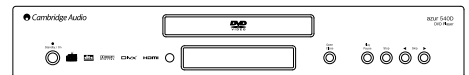

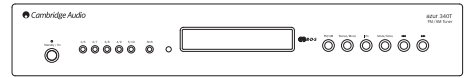

NIEUW!

650BD Premium audiophile **Profile 2.0 Blu-Ray/DVD/SACD/DVD-A/HDCD** player with HDMI 1.3c, 2 x USB 2.0 output, SPDIF and Toslink optical, internal memory up to 1Gb, upscaling up to 1080p, 24- Bit/192kHz Crystal DACs for superior audio, 7.1 analogue, full remote control over Azur Amplifiers. Videodecoding: MPEG2, MPEG2 HD, MPEG4, MPEG4 AVC, VC-1, XviD, WMV, WMV HD, VCD, AVCHD, MPEG ISO, JPEG, JPEG HD. Audio decoding: DTS HD Master Audio, DTS HD, DTS Dolby True HD, Dolby Dig Plus, Dolby LPCM, WMA, WMA Pro, MP3. Thd: < 0.008% @ 1kHz. **December 2009 -Black only** **799.00**

iPod dock

iD10 True audioperformance RCA/phono outs Fully buffered audio outputs USB - Remote control Charging. **79.00**

iD50 As iD10 compatible with Azur iPod commands, audiophile buffered outputs, gold plated connections, buffered video output **175.00**

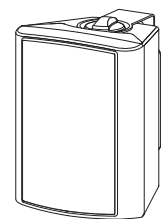

Alle Azur modellen zijn in zwart en zilver leverbaar, **de 650BD: uitsluitend in zwart**

In Wall / In Ceiling & outdoor luidsprekers

ES10 Weatherproof luidspreker in white finish. perfect for music during barbecues and swimmingpools **pair: 110.00**

ES20 5.5" weatherproof luidspreker in white finish. **pair: 225.00**

ES30 6.25" weatherproof luidspreker in white finish. **pair: 299.00**

Reference Audio Equipment

Prijzen 10 per november 2009. Adviesprijzen incl. BTW. Hiermee vervallen alle eerdere prijsnoteringen. Koerswijzigingen en typfouten voorbehouden. Garantieperiode: twee jaar. Bewaar de dozen tenminste 21 dagen want binnen deze periode wordt apparatuur, als er onverhoopt iets mee zou zijn, omgeruild voor nieuwe mits het geretourneerde apparaat compleet is met accessoires en onbeschadigd. De garantie geldt uitsluitend voor apparatuur die bij een geautoriseerde dealer is aangeschaft. Alle modellen zijn leverbaar in zilveren en zwarte uitvoering en voorzien van een "navigator style" afstandsbediening.
