

Neptune Stone

Mercury Ice

Saturn Dust

The Planet L is the revival version of the Elipson sphere combining a high-end design and meticulous aesthetics. This product is the result of a 2-year research and applies the best acoustic technologies for a compromise-free sound. Equipped with a coaxial 2-way driver, it gave birth to the best high fidelity, both with elegance and design. Available in 3 glossy colours and 3 new matt colours : Mercury Ice, Neptune Stone and Saturn Dust.
